

Er. A.D. Singh

His full name is Amrendra Dayal Singh, but people in society and in professional career or even in student life he is called as **AD** or **AD Singh**. An extraordinary individual whose life work represents the **perfect fusion of technical brilliance, industrial vision**, and a **deep-rooted commitment to society**.

His honouree's journey began four decades ago at one of India's premier institutions, graduating as a **Civil Engineer from BIT Mesra** in the landmark batch of 1986. Equipped with a solid foundation in structural design and execution, he did not just build structures; he also began shaping the very landscape of our modern communities.

As a renowned real estate developer of Bihar and Jharkhand he has turned blueprints into landmark realities, **earning a reputation for structural integrity, architectural excellence, and unwavering trust.** But his entrepreneurial ambition didn't stop at infrastructure. Driven by a vision for a sustainable future, he stepped into heavy industry, spearheading a state-of-the-art **Ethanol Manufacturing Plant** at **Govindpur, Dhanbad** to fuel our nation's clean-energy transition. Simultaneously, his company was first in Bihar and Jharkhand to revolutionised modern living spaces by introducing world-class, energy-efficient uPVC door and window solutions.

Yet, if you ask those who know him best, his greatest legacy isn't written in concrete, steel, or industrial metrics. It is written in the lives touch. Above all the titles of industrialist and real estate builder, he remains a proud social worker at heart—consistently lifting up communities, supporting grassroots causes, and proving that true success is measured by what we give back. He is very proud of being a member and **Secretary General of Babu Kumar Singh Shiksha Nidhi**, during his tenure and his consistent effort, Babu Kuwar Singh Shiksha Nidhi took a landmark decision to introduce donor membership and after 2–3 years of sustained campaign for it Shiksha Nidhi contribution got multifold collection.

He is also associated with **CII, Bihar Industries Association, Bihar chamber of commerce, Builders Association Of India and CREDAI (A real estate, Developers Association).**
